

Allocation of profit

RHI AG closed the financial year 2010 with a profit for the year of EUR 155,211,954.96; adding the profit carried forward from the year 2009 of EUR 242,278,688.73, this results in an accumulated profit of EUR 397,490,643.69.

The Management Board proposes to pay a dividend of €0.50 per share from the accumulated profit; the remaining part will be carried forward.
